Subject: Request for Vacation Leave (7th to 12th)

Dear Sir

I hope you're doing well. I am writing to formally request a short vacation from **7th to 12th september**. The reason for this request is that my father has fallen seriously ill, and I need to be with him during this difficult time to provide the necessary support and care.

I understand the importance of ensuring smooth operations in my absence and am more than happy to assist in any way before my leave to ensure that my tasks and responsibilities are covered. I have already discussed my workload with Janardhan Majumder and Iftekhar and I will make sure all urgent tasks are either completed or properly handed over.

I hope for your understanding, and I sincerely apologize for any inconvenience my absence may cause. If you need any additional documentation, or if there are specific details you need, please feel free to let me know.

Thank you for your consideration and support during this time. I look forward to hearing from you soon.

Sincerely,

Abu sayed
